Neither the discussion or negotiations between BeNextIT and you relating to the possible purchase or license of the Idea, nor the making of any offer for the purchase or license of the Idea, shall prejudice BeNextIT in any way, or be construed as recognition of the novelty, originality, priority, other rights or value of the submitted Idea. have or hereafter can, shall or may have against BeNextIT and its affiliates and subsidiaries or their respecting successors and assigns with respect to the Idea, including without limitation in respect of how BeNextIT and its affiliates and subsidiaries, directly or indirectly, use the Idea, with the sole exception in respect of the foregoing release and discharge being your right to bring a claim of patent infringement.
